

This is who we ordered the books through. And the person that was contacted about Power Point for the books was "William Howard" and his email address is [wordsofunderstanding@icloud.com](mailto:wordsofunderstanding@icloud.com) The cost given to us was going to be \$395 because we had ordered song books from them – if song books are not bought, the cost is \$495 and all songs are included. If you would like for me to mail you one of the songbooks for you to look at just let me know and I will be happy to put one in the mail for you.
